Juniors and Seniors new opportunity for anyone interested in becoming an airline pilot! Lift Academy will be here via Zoom on Oct. 26th. Sign up on the College Google sheet!
The Leadership In Flight Training (LIFT) Academy was born out of a desire to transform the standard pilot training model into one that is more widely attainable and attractive. By offering tuition that is more affordable than other pilot training programs, as well as a direct classroom-to-cockpit opportunity, LIFT has thrown the hangar doors wide open to a world of possibilities for men and women who thought becoming a pilot was simply not within reach.

LIFT is owned and operated by [Republic Airways](#), based in Indianapolis, Indiana. Republic offers scheduled passenger service with about 1000 daily flights to 100 cities in 40 U.S. states, Canada, the Caribbean and Central America. The airline provides fixed-fee flights operated under its major airline partner brands of American Eagle, Delta Connection and United Express.
